nLITE® PowerPad
FAST AND EFFECTIVE CLEANING WITH PURE WATER

Quality Tools for Smart Cleaning

nLITE® PowerPad – PURE WATER FOR FAST, EFFECTIVE AND EASY CLEANING.

Unger, the leader in pure water cleaning, is introducing a groundbreaking innovation – the **nLITE® PowerPad**.

It's the ultimate alternative to waterfed brushes for cleaning glass surfaces. This intuitive and revolutionary design makes cleaning with pure water faster and more effective. Ideal for first floor cleaning.

Perfect for pure water professionals and those new to Unger pure water technology.

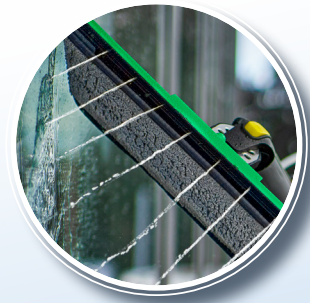

FULLY COMPATIBLE

Suitable for all **nLITE®** and **OptiLoc®**
pole systems from **UNGER**

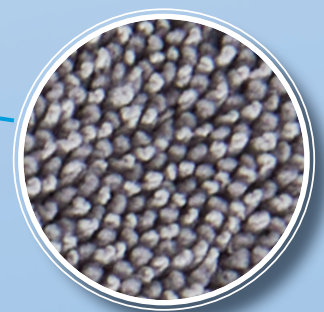

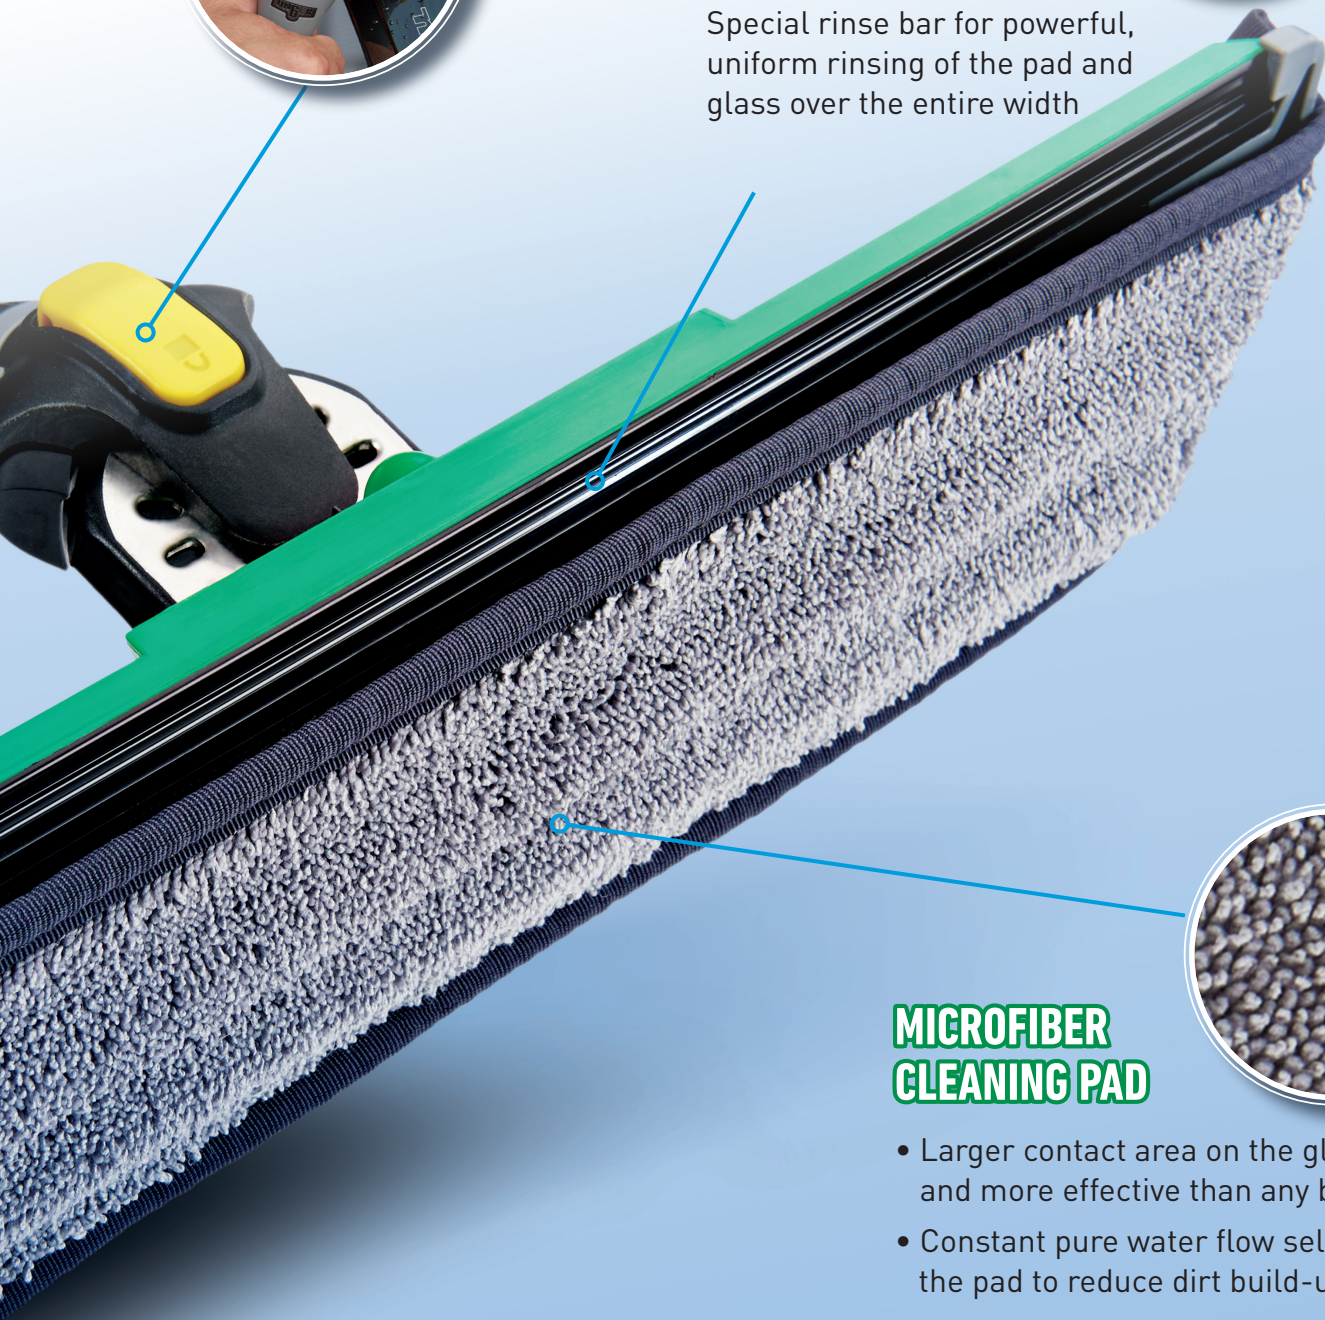

360° MOVEMENT

- Innovative swivel function allows for 360° movement, creating permanent contact on the glass
- Can be locked in 7 working positions for every type of use

RINSE BAR

Special rinse bar for powerful, uniform rinsing of the pad and glass over the entire width

MICROFIBER CLEANING PAD

- Larger contact area on the glass – faster and more effective than any brush
- Constant pure water flow self-cleans the pad to reduce dirt build-up
- Highly effective microfiber technology for streak-free cleaning

nLITE® PowerPad – PROFESSIONAL CLEANING RESULTS WITH PURE WATER!

The nLITE® PowerPad stands out as an innovative product due to its unique features that make cleaning with pure water noticeably faster, more effective, and easier.

1

INNOVATIVE MICROFIBER CLEANING PAD

- **Faster dirt removal**, as the microfiber cleaning pad has a **larger contact area** with the surface of the glass than a conventional brush with bristles
- **Self-cleaning effect** thanks to permanent pure water rinsing via the integrated Rinse Bar
- **Highly effective microfiber technology** for streak-free cleaning
- **Glides easily** over glass surfaces

2

360° MOVEMENT FUNCTION

- **Innovative swivel** allows for up and down, as well as left and right movement
- **Permanent contact** with the glass surface, even when working laterally
- **Easy and intuitive** manual tool with S-shaped movements as with classic glass cleaning

360°

PROFESSIONAL RESULTS WITH PURE WATER!

The new **nLITE® PowerPad** is easy and intuitive to use. The intuitive movement will be familiar to classic tool users, resulting in instant professional cleaning results and reduced training time.

The new **PowerPad** is fully compatible with all **nLITE®** and **OptiLoc®** telescopic poles from **UNGER**, offering great flexibility!
