

THE LEIF-CART

NOT YOUR GRANDPA'S WHEELED BUCKET

Say sayonara to buckets on tiny casters. Equipped with oversized wheels, the Leifcart is all about going over rough ground. This baby will roll over lawns, bumps, humps, and dips without complaints. It's designed so you don't have to lift your bucket from window to window. Get exterior windows done faster and save your back from heavy lifting at the same time.

DESIGNED FOR PROFESSIONALS
LEIF-CART #2087

A Professional Window Cleaner's workhorse, The LEIF-CART rolls over rugged terrain. Accommodates most brand-name oval buckets on the market. Its patented self-leveling mount keeps the bucket perfectly balanced. It instantly compensates for sudden starts and stops. Perfect for tooling around doing exterior windows. The bucket is easily removed and the complete unit fits nicely in the trunk of your car. Available with or without the bucket.
